LAVENDER SPA PEDICURE LINE

STEP 1 - SOAK

LAVENDER BATH (21.5oz/1gal)

Breathe in the calming scent of lavender—studies have shown inhaling this fragrant flower helps lower stress levels. Our targeted formula helps you relax while detoxifying your skin.

STEP 2 - EXFOLIATE

BAKING SODA MIRACLE SCRUB (18oz/72oz)

Pure Baking Soda particles gently exfoliate skin as its natural properties cleanse, balance, and neutralize your entire body. Fortified with pumice particles to effectively deodorize, neutralize pH balance of skin and slough away all rough callouses and dead skin cells.

STEP 3 - REHYDRATE (SPA MASK)

LAVENDER MUD (16oz/64oz)

This innovative formula leaves your skin feeling tighter and more lifted, while makes your skin feel firmer and look more defined. Our targeted formula helps you relax while detoxifying your skin.

STEP 4 - MASSAGE

LAVENDER MASSAGE OIL (8oz/1gal)

Our Therapeutic Massage Oil is exclusively created using cold-pressed plant oils and the highest grade essential oils. It is rich in vitamins (A, B1, B2, B6, C) and minerals that leave your skin smooth and nourished. This comforting lavender-scented blend was created for professionals, by professionals.

STEP 5 - MOISTURIZE & REPAIR

LAVENDER MASSAGE CREAM (8.46oz/33.82oz)

Lavender Massage Cream is an intensive moisturizing treatment that rehydrates and relaxes stressed-out skin with an ultra-hydrating but non-greasy formula. Fortified with natural ingredients, this massage cream will help relieve stress as you massage it into your skin. Provide skin with the nourishment it needs to remain healthy and velvety smooth.

LAVENDER SPA PEDICURE

The lavender formula relaxes the mind and body while soothing and softening skin. Studies show lavender calms the nervous system and reduces stress hormone levels
