## GREEN TEA SPA PEDICURE LINE

### STEP 1 - SOAK

#### GREEN TEA BATH (21.5oz/1gal)

Soak in all the natural, glorious benefits of healing green tea. The polyphenols of green tea contain powerful antioxidants, protecting your body from free radicals and premature aging. Sit back and relax while natural mineral ingredients soothe, deodorize and comfort your feet and soles.

### STEP 2 - EXFOLIATE

#### BAKING SODA MIRACLE SCRUB (18oz/72oz)

Enjoy the power of baking soda to exfoliate and clean your body. Through massage, the actual baking soda particles literally wash away dead skin, dirt and odor as it dissolves in water. Your skin is left unbelievably soft and silky smooth.

### STEP 3 - REHYDRATE (SPA MASK)

#### GREEN TEA MUD (16oz/64oz)

Rich antioxidants provide a protective and rejuvenating treatment. Rebuild damaged cells, enhance skin's immunity and guard against daily wear & tear inflicted by nature and time. This mud will draw in moisture where you need it while soothing and relaxing your entire body.

### STEP 4 - MASSAGE

#### GREEN TEA MASSAGE CREAM (8.46oz/33.82oz)

An intensive moisturizing treatment that rehydrates and relaxes stressed-out skin with an ultra-hydrating but non-greasy formula. Potent antioxidants and healing properties promote anti-aging and stimulates younger, healthier skin.
