

BODIPURE®

GREEN TEA SPA PEDICURE LINE

STEP 1 - SOAK

GREEN TEA BODY BATH (21.5 oz / 1 gal)

Soak in all the natural, glorious benefits of healing green tea. The polyphenols of green tea contain powerful anti-oxidants, protecting your body from free radicals and premature aging. Sit back and relax while natural mineral ingredients soothe, deodorize and comfort your feet and soles.

STEP 2 - EXFOLIATE

BODY SCRUB (18 oz)

Enjoy the power of baking soda to exfoliate and clean your body. Through massage, the actual baking soda particles literally wash away dead skin, dirt and odor as it dissolves in water. Your skin is left unbelievably soft and silky smooth. It's the best bet for thin, sensitive skin.

STEP 3 - REHYDRATE (SPA MASK)

GREEN TEA BODY MUD (16 oz / 64 oz)

Rich antioxidants provide a protective and rejuvenating treatment. Rebuild damaged cells, enhance skin's immunity and guard against daily wear & tear inflicted by nature and time. This mud will draw in moisture where you need it while soothing and relaxing your entire body.

STEP 4 - MASSAGE

GREEN TEA MASSAGE CREAM (250ml / 1000ml)

An intensive moisturizing treatment that rehydrates and relaxes stressed-out skin with an ultra hydrating but non-greasy formula. Potent anti-oxidants and healing properties promote anti-aging and stimulates younger, healthier skin.

MASSAGE & BODY OIL (8 oz / 1 gal)

Created exclusively from cold-pressed plant oils and the highest grade essential oils, this Massage and Body Oil is rich in vitamins (A, B1, B2, B6, C) and minerals to leave your skin smooth & nourished. This nurturing formula was developed by and for professional massage therapists.

STEP 5 - MOISTURIZE & REPAIR

GREEN TEA HAND & BODY LOTION (12 oz / 1 gal)

Deliver a high level of moisturizing benefits to your hands and entire body. Build healthier skin everyday with rich emollients to supply a protective barrier. A unique blend of essential oils provides a refreshing and light scent.

FOOT & HEEL CREAM (6 oz)

A urea rich formula with glycerin penetrates deeply into the skin to protect heels and feet. This incredible repairing cream absorbs quickly into skin leaving soles ready to face the day.
