ALL-IN-ONE HAND & FOOT TREATMENT

Keratin Gloves® and Socks are the **first and only** waterless, all-in-one hand & foot treatment to incorporate keratin, a key protein found in skin, hair and nails. Keratin has many benefits, including repairing existing skin damage, increasing skin elasticity and hydration and protecting skin against damaging heat and chemicals.

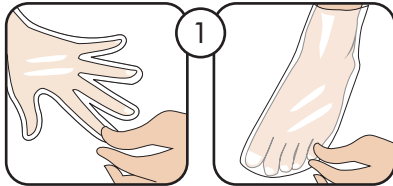

Slip on our exclusive Keratin rich gloves and socks, with the lotion already inserted. Experience the benefits of the self-activating, deep fortifying emulsion purposed to strengthen nails, soften cuticles, moisturize and nourish skin. Our active ingredients are derived from 100% vegetable, 100% renewable sources.

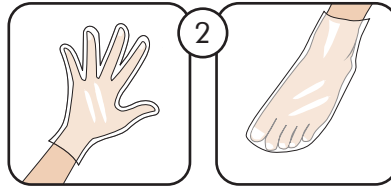

BENEFITS

- Easy to apply
- No water needed
- No massage cream/cuticle oil needed
- Can be worn over polished nails
- UV protection
- Free of paraben and triclosan
- One-time use, hygienic, disposable
- Touch-screen friendly
- Great for travel and gift items

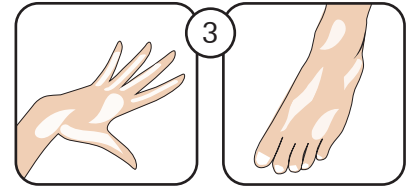

EASY TO APPLY:

Gently massage Keratin Cream around nail and cuticle

Allow cream to soak into skin
Results improve with longer treatment

Slide gloves/socks off and massage excess cream to moisturize forearms and legs
